Remember all of the fun in Montgomery in November and
in the Vica club at school. You are one of the nicest

“TO KNOW PATHS THAT
WANT WALKING,

TO KNOW SPRINGS THAT
WANT DRINKING,

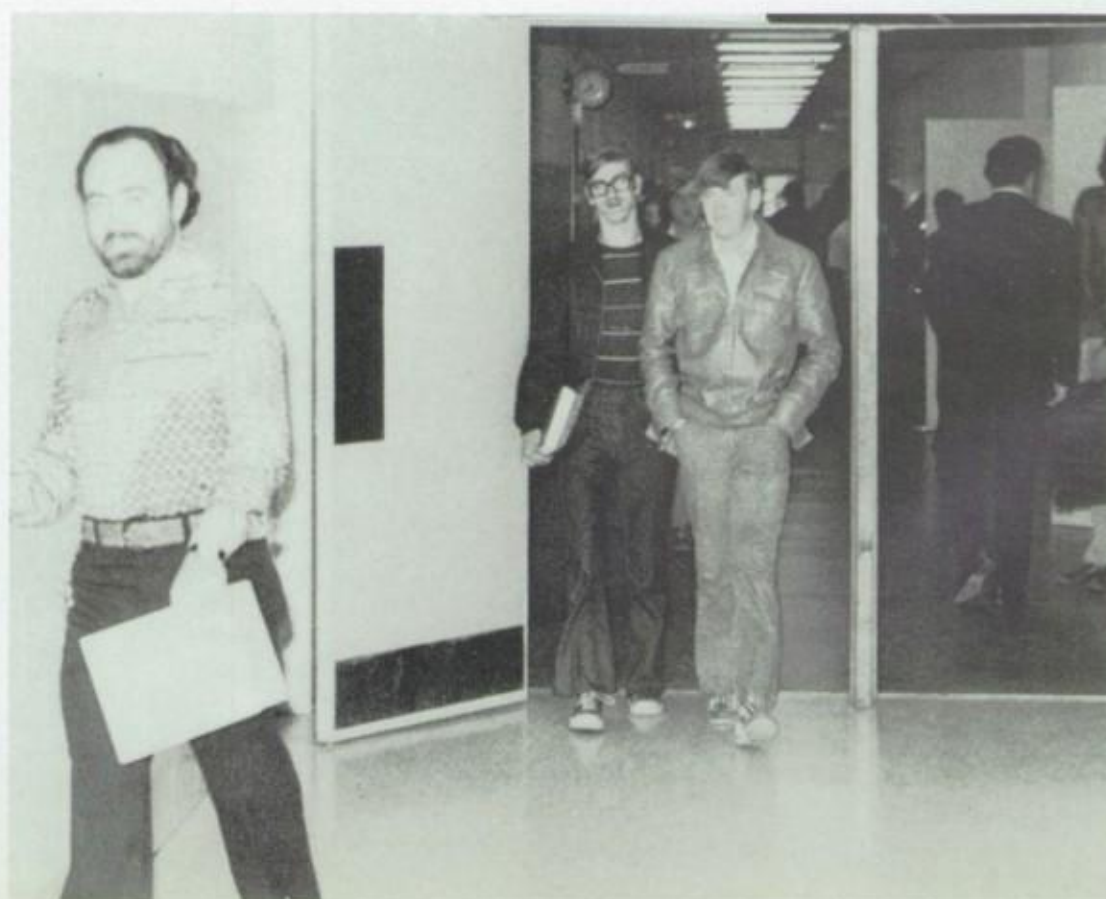

AND

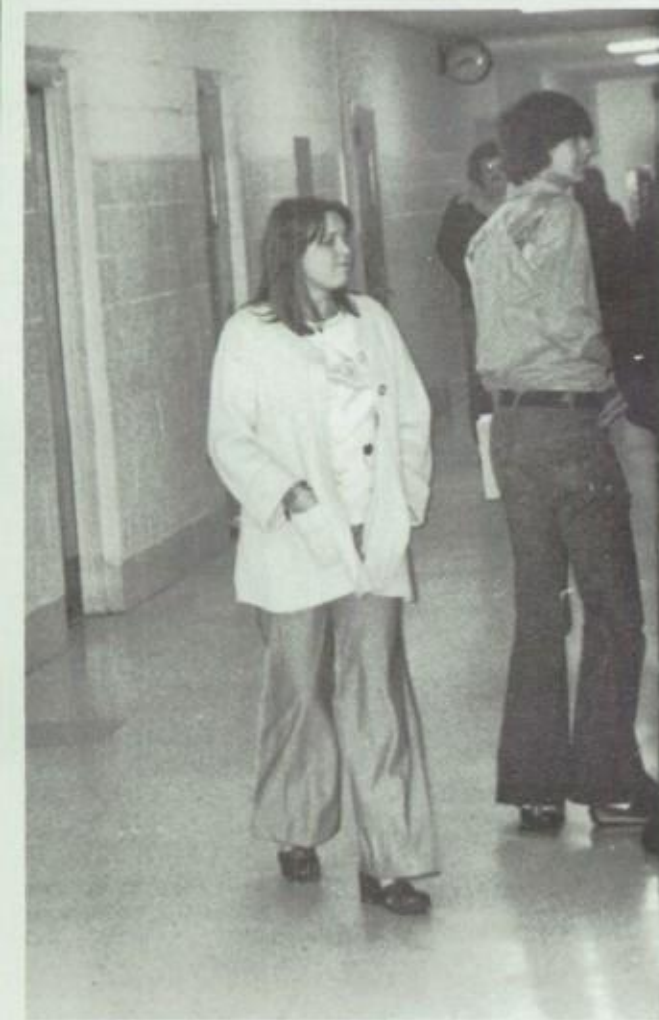

THOUGHTS THAT WANT
FURTHER THINKING.”

By long and arduous study a truth breaks upon us; and we see a goal that we have not discovered before. We struggle toward it, we reach it, we grasp it - and lo! Immediately, we see beyond us another goal richer and brighter than the one we attained! Thus we are challenged.

"To us there is greatness in the familiar
and simplicity in the grandiose."

WE DEDICATE OUR YEARBOOK TO
A MAN WHO IS HIMSELF DEDICATED

. . . A Devoted Teacher
. . . A Loyal Friend
. . . A Christian Gentleman
. . . A Warm Humanitarian
. . . We dedicate this 1977 Vulcan to you,

Mr. Charles Self

MR. RALPH WINGO

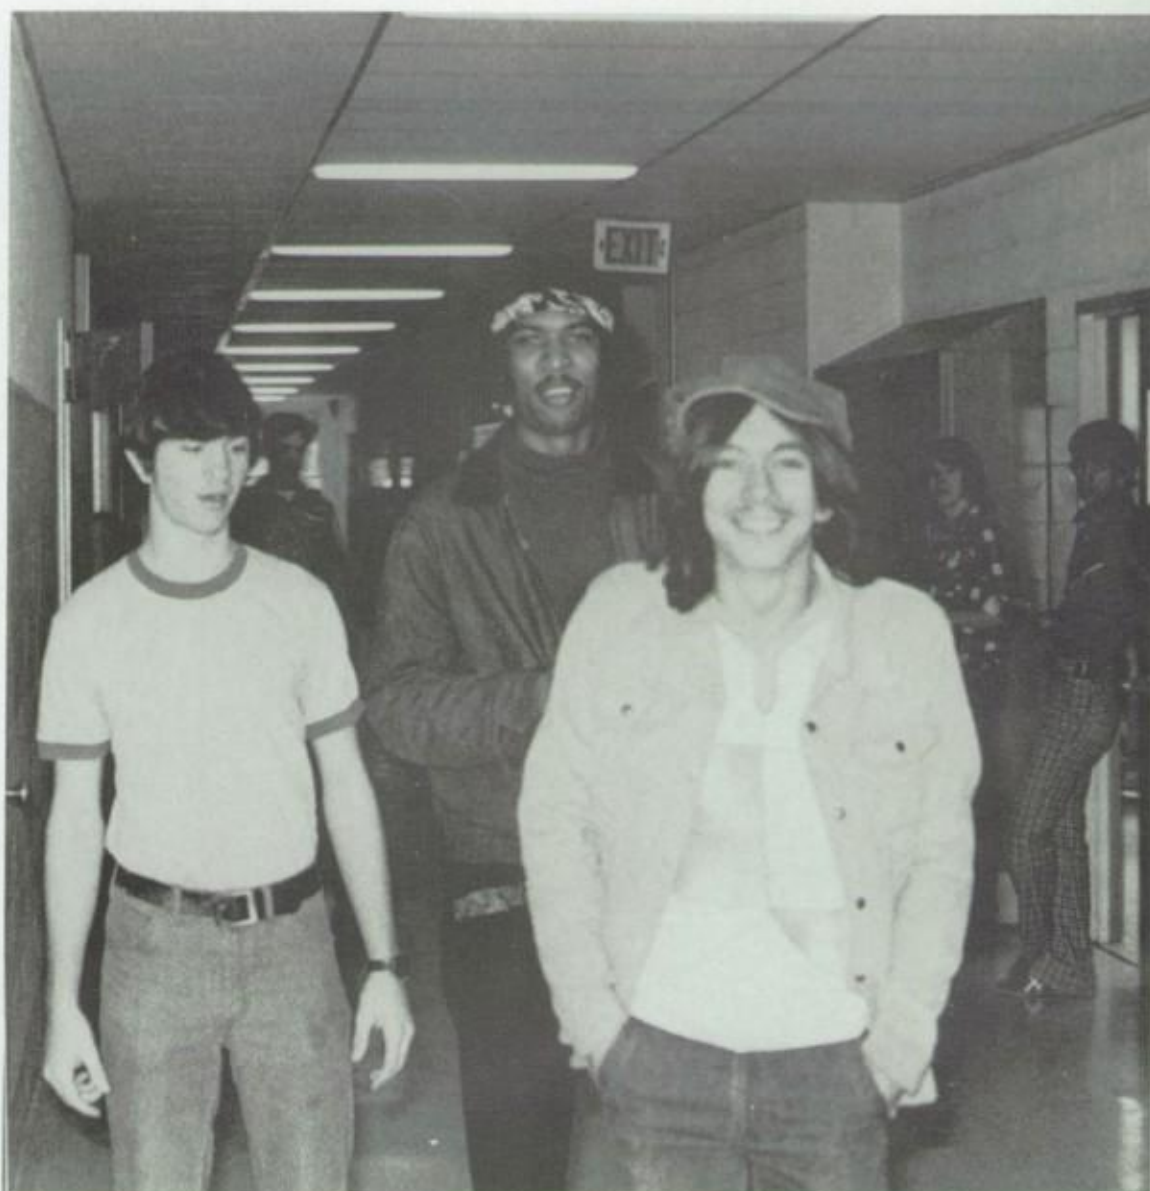

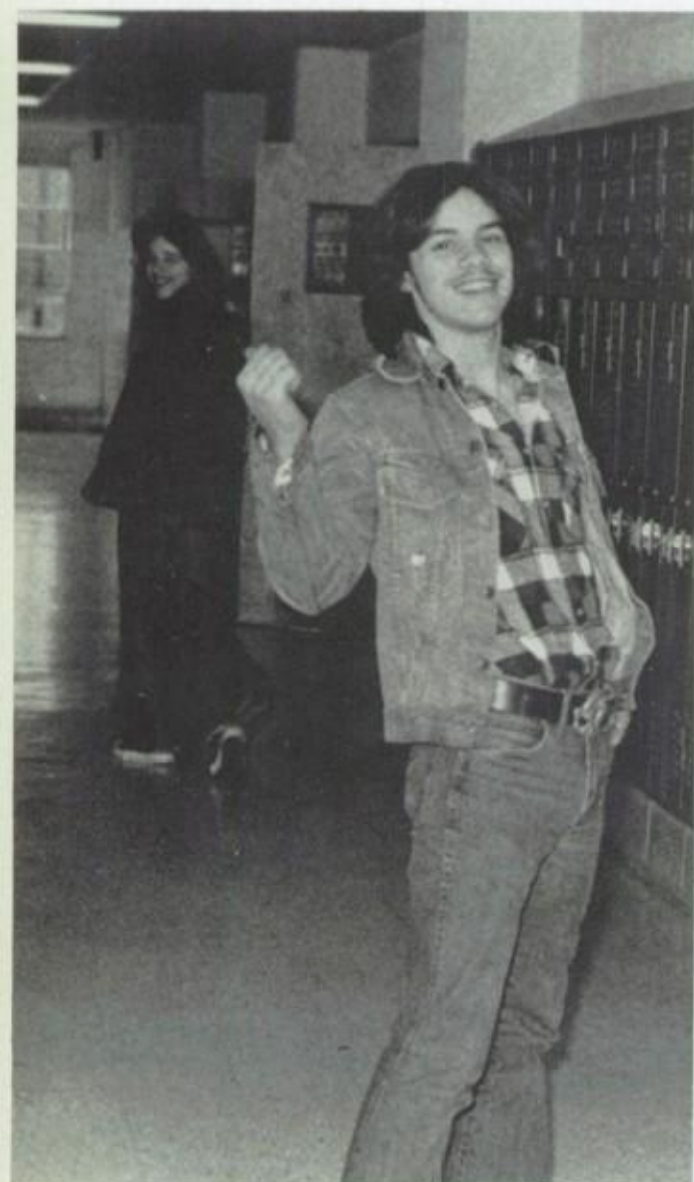

"Only where love and need are one, and work is play for mortal stakes, is the deed really done for Heaven and future's sakes"

UNITY

it is not in number but it is in

UNITY

that our great strength lies . . .

"if a man
does not keep pace with his
companions

it is because he hears a different
drummer

let him step to the music
he hears

however measured as far away."

"Grant me intention, purpose and design -
That's near enough for me to the Divine"

As editor of the 1977 Vulcan, I would like to thank Mrs. Harris and the entire annual staff for making this the best year and best annual ever.

With all the bad weather there were times when even getting the annual finished on time was a grim prospect, but thanks to an awful lot of hard work by Mrs. Harris and all of us on the staff and cooperation from the faculty, we've managed to put together a pretty respectable annual. Had it not been for Mrs. Harris we would have been in a mess up to our ears. None of us had any idea how to draw an ad layout or plan a page, it took a lot of time and patience and I thank her for it.

I hope that each of the students will realize this book belongs to you. We've worked hard to put together an interesting annual with everyone in mind. I hope we have succeeded in putting together a book of memories that will long be remembered. I hope you enjoy this edition of the 1977 VULCAN.

FIVE YEARS OLD

Please, everybody look at me!

Today, I'm five years old, you see!

And after this, I won't be four,

Not ever, ever, any more!

I won't be three - or two - or one,

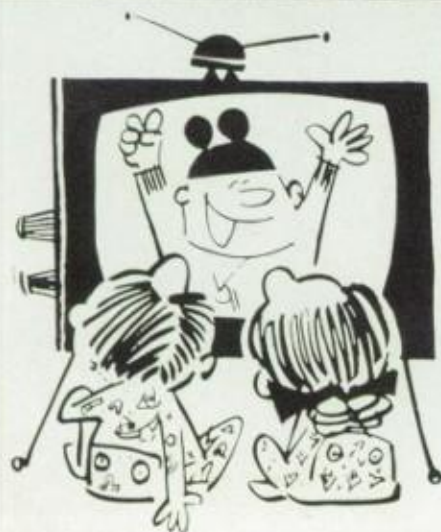

For that was when I'd first begun

Now I'll be five a while, and then

I'll soon be something else again!

ADMINISTRATION

Rogers is an integral part of the Jefferson County Board of Education, the largest suburban school system in Alabama. The School Board consists of five citizens, elected by popular vote, to serve staggered terms as the decision and policy-making body.

The Board operates under the committee system to approve educational programs, new construction projects, and employ the necessary personnel to effectively operate the school system. Dr. George E. Rudd is chairman of the administration committee and Mr. Jack E. Brymer, Sr., is co-chairman. Dr. Jack M. Dabbs serves as chairman of the systems management committee and Mr. Randall I. Godwin is co-chairman. The president of the school board, Mrs. Robert W. Gwin, serves as ex-officio member of each.

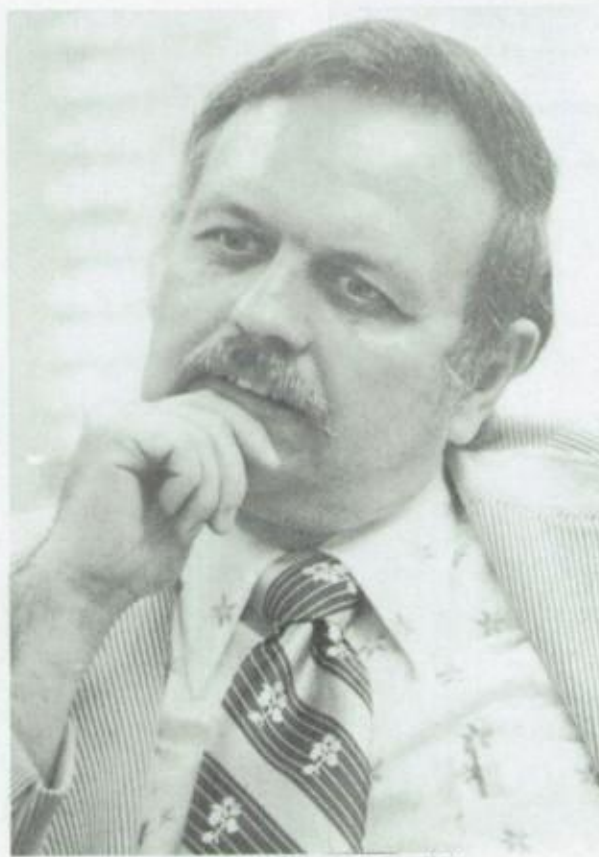

Dr. J. Revis Hall serves the Board as superintendent and secretary, and is responsible for carrying out the Board's decisions.

To learn to use one's abilities to the fullest is a goal for which I hope all of you are striving. Although many are saying there is no more pride in craftsmanship, I know from my work with you that this is not true. The fulfillment that comes from doing something well is an experience which I hope all of you will have many times.

IF

By Rudyard Kipling

If you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being hated, don't give way to hating,
Or being lied about, don't deal in lies,
And yet don't look too good, or talk too wise;

If you can dream - and not make dreams
your master;

If you can think - and not make
thoughts your aim

If you can meet with Triumph and
Disaster

And treat those two impostors just the
same

If you can bear to hear the truth you've
spoken

Twisted by knaves to make a trap for
fools,

Or watch the things you gave your life
to, broken,

And stoop and build 'em up with worn-
out tools:

If you can make one heap of all your winnings;

And rick it on one turn of pitch-and-toss,
And lose, and start again at your beginnings

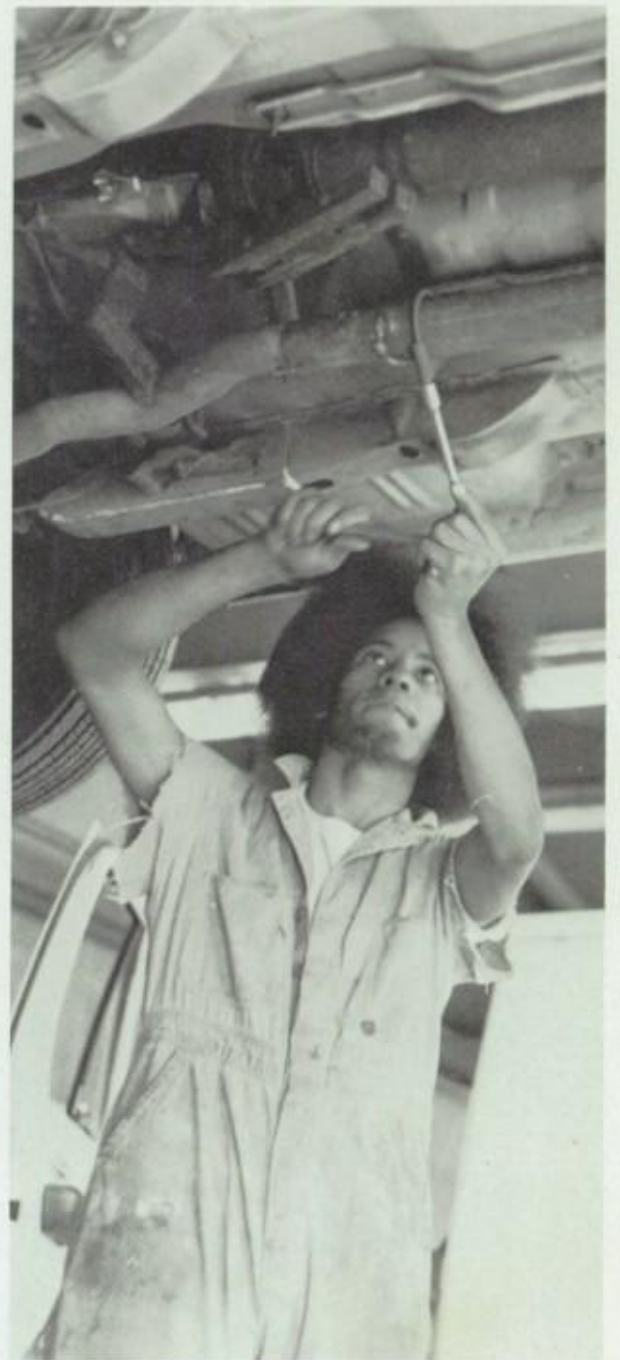

And never breathe a word about your loss;

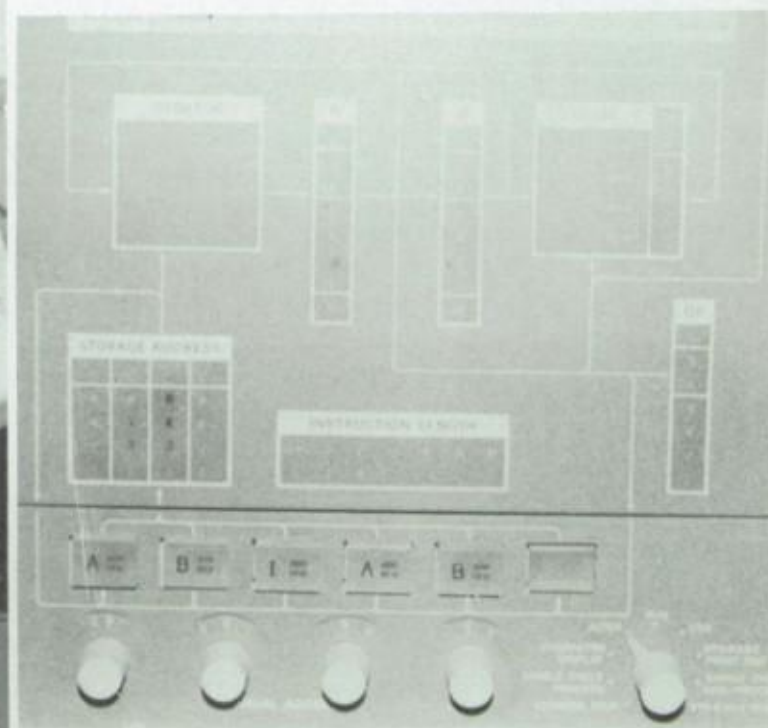

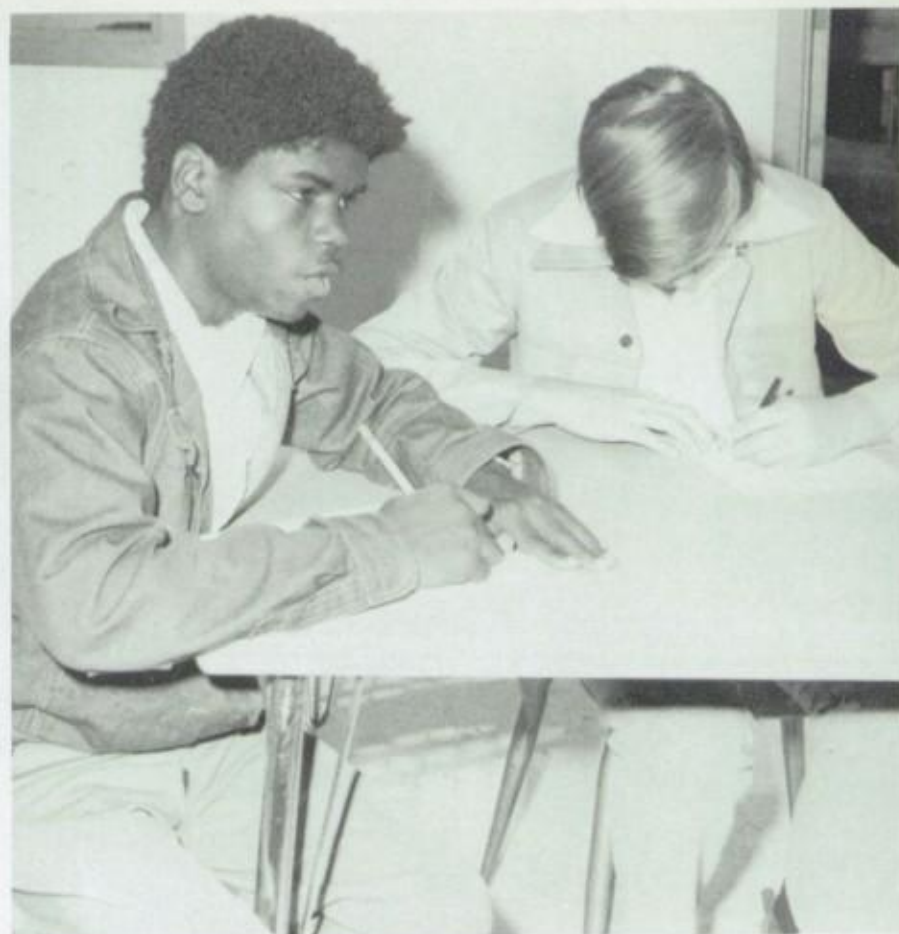

If you can force your heart and nerve and sinew

To serve your turn long after they are gone

And so hold on when there is nothing in you

Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your
virtue,

Or walk with Kings - nor lose the common
touch,

If neither foes nor loving friends can hurt you,

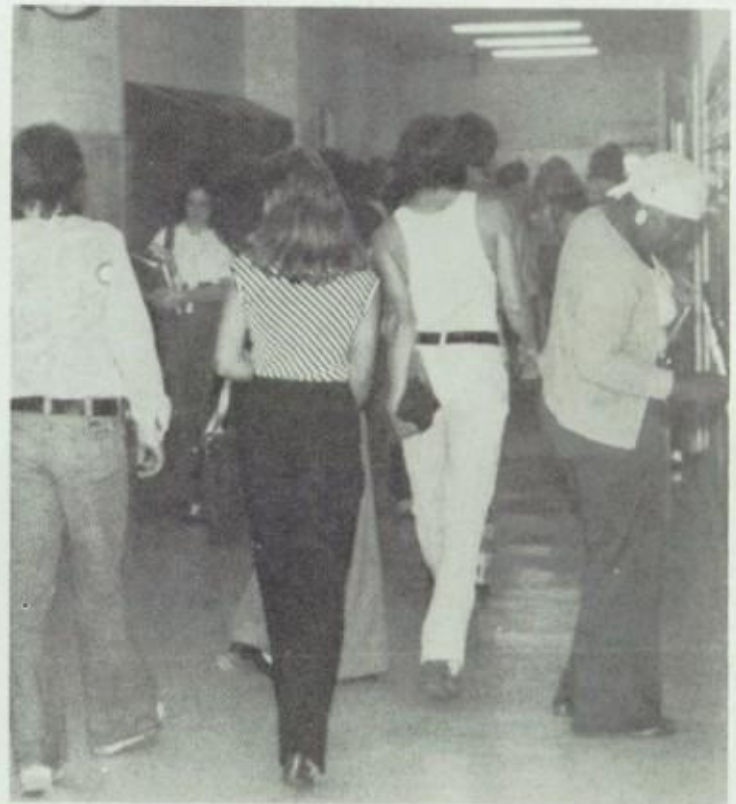

If all men count with you, but none too much;

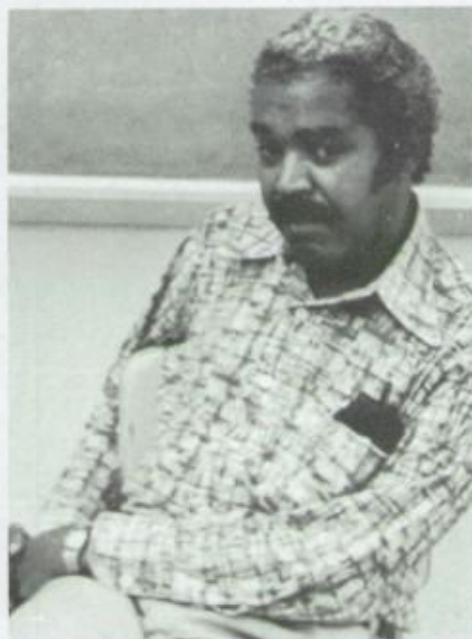

If you can fill the unforgiving minute

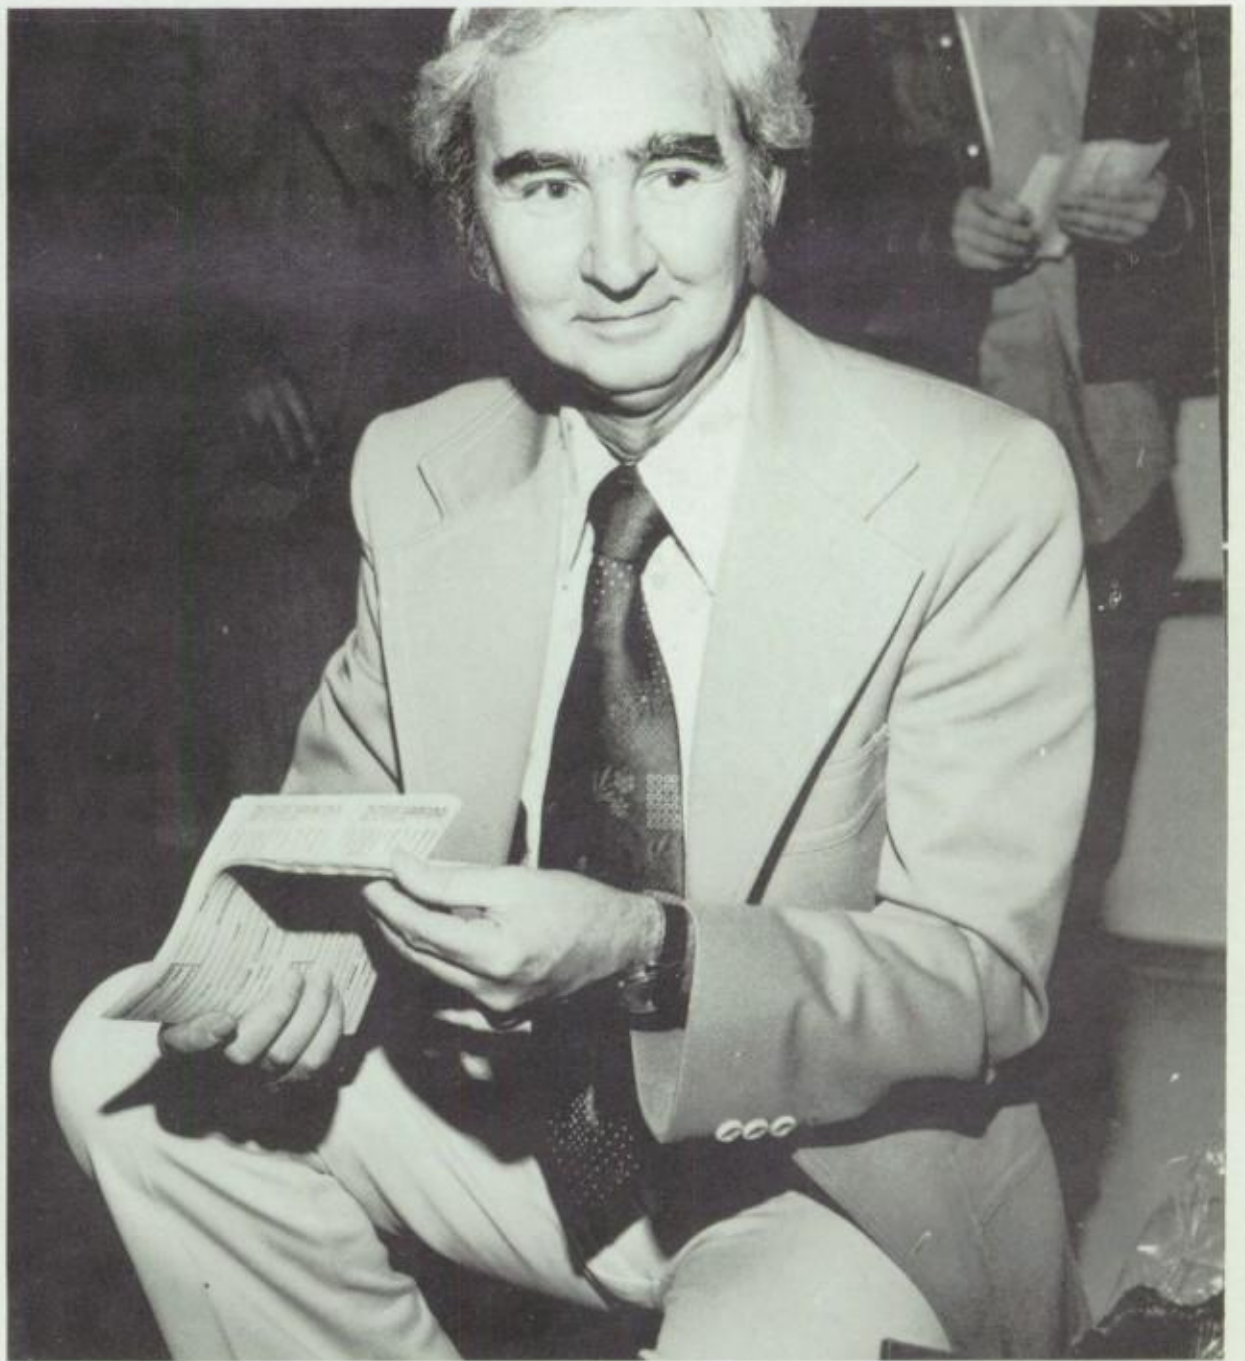

With sixty seconds' worth of distance run

Yours is the Earth and everything that's in it,

And - Which is more - you'll be a Man, my
son!
